Dear Residents

Another year has flown by!

I wanted to take this opportunity to wish you and your family a happy holiday. With border restrictions changing, I hope you are able to visit your friends and family and reunite with loved ones. I know I will be.

This has been a difficult year for some and I thank you for your resilience. My office has spoken with hundreds of people stuck over the border and I hope with vaccination rates continuing to rise that we return to some form of normalcy.

Congratulations to all of the students who are graduating; it has been fun attending your ceremonies and presenting awards!

We have had some big wins for our local sporting and community groups, both with funding and grand finals.

As the State Member for this area, I am available to help with any State issues you might be having, please just reach out and I'll do my best to help you.

BATES BULLETIN

MUDGEERABA SHOW SUCCESS!

This year the Mudgeeraba Show ran over a three day period with day one being an education day.

This turned out to be a big success, with thousands of people coming by and enjoying the food and entertainment.

MARQUEES FOR SPORTING AND COMMUNITY GROUPS

Our sporting and community groups need protection from the elements!

I was very pleased to donate marquees to our sporting and community groups around the area to help them run events smoothly and protect members from the sun and rain. Travelling around our area, I can see they are getting plenty of use which is great to see.

COVID VACCINATIONS

It is important to get your COVID vaccine!

I was fully vaccinated back in May. Now that borders are opening up it is important we get vaccinated to protect ourselves and others.

We have a number of clinics in our area doing COVID vaccines - it's now easier than ever to get it done!

STUDENTS IN PARLIAMENT THIS YEAR

I've invited all our school leaders to visit Parliament this year, and have really enjoyed hosting them when they tour Parliament House.

It's a great opportunity to learn about the role of Government and Opposition in Queensland, how democracy works, the history of Queensland's Parliament, and how laws are made.

Many students met the Leader of the Opposition, and the Speaker of the House. Thanks to all of the school principals and student leaders who have worked with my office to make these trips happen this year.

Updates on the Austinville Causeway

With more flooding in recent weeks, the issue of the Austinville Causeway, on Gold Coast- Springbrook Road, has come up once again.

After I fought for a hydrology study back in 2015 we know what's needed to fix the problem here. TMR have identified it as a priority project and now we are just waiting for the State Government to fund it! I won't stop fighting to make our community the best it can be and that means fixing flooding issues.
